About Xos, Inc.

Xos is a leading fleet services provider and original equipment manufacturer of Class 5 through Class 8 battery-electric vehicles and the tools to adopt them. Xos vehicles and fleet management software are purpose-built for medium- and heavy-duty commercial vehicles that travel on last-mile, back-to-base routes of 270 miles or less per day. The company leverages its proprietary technologies to provide commercial fleets with zero-emission vehicles that are easier to maintain and more cost-efficient on a total cost of ownership (TCO) basis than their internal combustion engine counterparts.
