About Xos, Inc.

Xos is a leading original equipment manufacturer of Class 5 through Class 8 commercial electric vehicles and powertrains and provides charging infrastructure and fleet management software for fleets. The company's primary focus is on medium- and heavy-duty commercial vehicles that travel on last-mile, back-to-base routes of 200 miles or less per day. The company leverages its proprietary technologies to provide commercial fleets with zero-emission vehicles that are easier to maintain and more cost-efficient on a total cost of ownership (TCO) basis than their internal combustion engine counterparts.
